Positive Coaching Alliance

The Department of Parks, Recreation, and Neighborhood Services is a member of the Positive Coaching Alliance where "honoring the game" is more than just words. Our elementary sports programs have always been "funpetitive" where scores are not kept and ranking of teams is not done. We have now taken the philosophy of recreational enjoyment to new levels where coaches, parents, and children are taught even more about good sportsmanship, praising children, and being positive in all aspects of the game.
